NOTE: — Property information derived from final plat approved by Fairfax County, 2/26/53 listed in deed book #1051, p. 485. The recorded plat shows section 6 of Grayhill Crest surveyed by L. Carl Gardner Jr., Certified Land Surveyor dated 10/28/52.
 — Recent area topography shows less land than the recorded plat.
 — The difference exists on the western boundary lines of the site.
 — Prior to any development a survey has to be taken.
 — Present base map is good only for preliminary master plan study.
 — Contours enlarged from county contour map and should be used only for master planning.
 — Contour intervals 5 feet.
